Protective

Chiharu: You guys know about my first Hakuoki story right?Now it's the sequel!

Heisuke: Nooooo...

Sanosuke: Ummmm...what's it gonna be about?

Chiharu: Can't tell you, the readers have to find out.

Heisuke and Sanosuke: *sigh*

Chiharu: Hey at least there's no awkward parts.

Sanosuke: Ugh...

Chiharu: Shut up Sanosuke, you'll be the pathetic guy in the story ya know. Let's start the story! And I'll type Sano instead of Sanosuke.

>His name's kinda long -.-<p>

After they nap, Heisuke and Sano decided to practice, sure the war's over, but they still like to practice.

"You're using the sword? You usually use the spear." Heisuke said when Sanosuke picked the sword.

"Well sometimes I want to use the sword."

"Ok."

"Ready?"

"Yeah." They started to practice dueling. After a few minutes, Heisuke tripped over a rock. Sano attacked him, causing his sword

>to fly out of his hand.<p>

"...ow." that's the only thing Heisuke said.

"What?"

"Guess the sword cut me."

"It's bleeding! C'mon, let's get you a bandage." Sano said worriedly. Heisuke frowned.

Sano wrapped the bandage around Heisuke's hand.

"Does it still hurt?"

"No, it's better..." Heisuke muttered. Sano held his hand.

"Why are you kinda...unhappy?" Sano asked

" 'Cause! You're acting too protective! You're acting like I never hurt myself before!" Heisuke yelled, " I've got bigger cuts than this!"

"..." Sano remained silent.

"S-sorry..." he didn't know why he was shouting, he just did it.

"That's exactly why I'm being protective."

"Wha...?"

"I don't want you to get hurt, 'cause I love you." Sano said, his head was down. Heisuke smiled.

"Well next time don't be so protective, 'kay?" Sano looked up, smiling. Heisuke smiled back.

Sano gave Heisuke a light kiss on his forehead.

"A bit too difficult for me."

Chiharu: See? No weird moments.

Heisuke:But he did kiss me...

Chiharu:ON THE FOREHEAD! JEEZ!

Sanosuke:You think I'm protective?

Chiharu: Sometimes.

Heisuke: I HATE YOU CHIHARU!

Chiharu: Love you too!
